Youth email	Parent email			

To complete your application, please attach the following items:

- 1) A short essay indicating why you are interested in the Summer Youth Intern Archaeology Program. If you have been an intern in previous years, please discuss the value of the program for you with particular reference to heritage and science issues. The application is a competitive process and your essay is important in our decisions. Not every applicant will be successful. You will be notified by email whether or not you are selected.
- 2) Describe any medical conditions (medical, physical, emotional, or otherwise) which might affect your health or well-being, the well-being of others, or affect your ability to participate in any way in program activities. Ask your parents/quardians for assistance. These issues are not meant to disqualify anyone - only to inform our teachers and mentors.
- 3) Please have a counselor or teacher send the reference form directly to the Mesa Prieta Petroglyph Project.
- 4) Students in need of financial assistance may apply for our competitive Diversity Scholarships (next page)

<u>IMPORTANT</u>: Please complete the application and mail or scan and email by May 10, 2024. Thank you for your interest in the 2024 Summer Youth Intern Archaeology Program! Spaces are limited so please SEND THE APPLICATION IN ON TIME to be considered for the program.
