To complete your application please attach the following items on separate sheets:

1) A short essay indicating why you are interested in the Summer Youth Intern Petroglyph Recording Program. If you have been an intern in previous years, please discuss the value of the program for you with particular reference to heritage and science issues. The application is a **competitive process** and your essay is important in our decisions. Not every applicant will be successful. You will be notified **by email** whether or not you are selected.

2) Describe any medical conditions (medical, physical, emotional, or otherwise) which might affect your health or well being, the well being of others, or affect your ability to participate in any way in program activities. Ask your parents/guardians for assistance.

3) Please have counselor or teacher send the reference form directly to the Mesa Prieta Petroglyph Project.

Please **complete the application** and mail or email to arrive by **May 10, 2018**. Thank you for your interest in the Summer Youth Intern petroglyph recording program! **Spaces are limited so please SEND THE APPLICATION IN ON TIME** to be considered for the program.
