

Mesa Prieta Petroglyph Project Summer Youth Intern Program

June 9th – 22nd, 2022

Are you interested in archaeology, exploring the outdoors, petroglyphs and history?

The Mesa Prieta Petroglyph Project is accepting applications for our 19th annual Summer Youth Intern Program. You'll learn advanced STEM skills while working with professional scientists recording the petroglyphs on Mesa Prieta!

Our organization has committed to recording all archaeological features on the mesa, including over 100,000 petroglyphs made by the ancient peoples of the area. As an intern, you'll help discover these features and petroglyphs while learning skills which include; photography, scientific drawing, metric measurement, following a protocol for scientific data recording, navigation using a map and compass, use of GPS units and more!

After completing the two-week program, interns have the opportunity to receive dual credit from New Mexico Highlands University and to receive a modest stipend.

Applicants must be 13 to 18 years old, enrolled in school, drug and alcohol free and in good physical condition. Workdays at a site near Espanola are Monday through Friday from 7:30 am to 1:30 pm. Submissions must include an essay from the applicant and a completed Teacher/Counselor Form. Incomplete applications will not be considered.

Application Deadline May 2nd, 2020

Visit www.mesaprietapetroglyphs.org for more information and to download applications forms.
